

ESP32 CAM SD

Recuperer Fichiers sur esp32 cam programme 001

[esp32camSD.ino](#)

```
/*
*****

L'ESP32-CAM présente une page web qui permet de prendre des photos
et de les enregistrer sur une carte SD, de visionner les photos
déjà présentes sur la carte, et de supprimer les photos non-désirées.

Pour plus d'informations:

http://electroniqueamateur.blogspot.com/2020/07/esp32-cam-gestion-dista

  Complete project details at
  https://RandomNerdTutorials.com/esp32-cam-video-streaming-web-server-camera-home-assistant/

  IMPORTANT!!!
  - Select Board "AI Thinker ESP32-CAM"
  - GPIO 0 must be connected to GND to upload a sketch
  - After connecting GPIO 0 to GND, press the ESP32-CAM on-board RESET
    button to put your board in flashing mode
